

## Dreaming my dreams with you

**C**

1. I hope that I won't be that wrong anymore,  
and maybe I've learned this time.

I hope that I find what I'm looking for,  
**G**  
the way that it is in my mind.

**F**

**C**

Someday I'll get over you, I'll live to see it all through,  
**G7** **C**  
but I'll always miss dreaming my dreams with you.

**C**

2. But I won't let it change me, not if I can,  
I'd rather believe in love.

And give it away as much as I can,  
**G**  
to those that I'm fondest of.

**F**

**C**

Someday I'll get over you, I'll live to see it all through,  
**G** **C**  
but I'll always miss dreaming my dreams with you....
